

(ELPH Experiment : #2500, #2501)

Title

First Author¹, Second Author², Third Author^{1,2}, Forth Author^{1*},
and Fifth Author²

¹*Department of Physics, Tohoku University, Sendai, 980-8578*

²*Research Center for Electron Photon Science, Tohoku University, Sendai, 982-0826*

Write an abstract in here.

§1. First Section

Main text is here [1].

$$E^2 = m^2 + p^2 \tag{1}$$

1.1 Subsection

Subsection [1, 2].

1.1.1 Subsubsection

Figure 1 is here.

§2. Next Section

Table 1. This is a caption

| Left | Centered | Right |
|------|----------|-------|
| 1 | 2 | 3 |
| 10 | 20 | 30 |
| 100 | 200 | 300 |

Tabel 1 is here [1–3].

*Present address: Research Center for Electron Photon Science, Tohoku University, Sendai, 982-0826

Acknowledgment
